We would like to remind Bridgewater Township residents that it is unlawful to deposit snow onto public roadways or to push snow across public roadways per Minnesota Statute 160.2715. Snow deposited or pushed onto the road can create hazards to the public and future snow removal operations. Citizens that violate this statute could face misdemeanor and/or civil penalties if the snow creates a hazard that contributes to an accident. The Township snow removal/sanding trucks will be out as soon as possible following a snow event. The Township is not responsible for any damage resulting from snow thrown in the road right of way.
