

Bridgewater Township Project Meeting
County of Rice, State of Minnesota
August 27, 2018
Official Minutes

Call to order at 12:00pm

Roll Call: John Holden, Glen Castore, Gary Ebling, Greg Swanson, Jim Braun, Scot Rosevold, Andrew Giacini, and Frances Boehning

- Meeting with Planning Administrator, Building Official, Building Inspector and Board of Supervisors
 - As this was Scot Rosevold's first time visiting the township, introductions were made.
 - Agricultural buildings were discussed. It is recommended that if the building is over a certain size, that structural engineering should be required.
 - Greg Swanson requested clarification on who was conducting plan reviews.
 - Greg, Jim, and Scot will discuss this and Jim Braun will bring back to the Board during the next Board of Supervisors meeting on September 19th.
 - Jim Braun would like to move the focus of work to the new permits rather than tracking down old ones. He also reviewed a recent permit for Tim Strong.
- Meeting with Andrew Giacini from Jason Lewis' office
 - Glen Castore reviewed the issues that the township is currently facing with other government units in regards to the Central Pond project.
 - Andrew Giacini discussed the ways that Jason Lewis' office and staff could assist with the current issues.
 - Glen Castore will email information regarding the project to Mr. Giacini and follow up with any questions.
