

**Bridgewater Township  
Noxious Weed meeting with MNDOT  
County of Rice, State of Minnesota  
June 29, 2021  
Official Minutes**

Call to Order at 1:00 pm

- A presentation by the Cannon Valley Noxious Weed Collaborative was made by John Holden. Representatives from the MN Department of Transportation responded to the presentation and a discussion regarding the best methods of fighting wild parsnip was held.
  - MNDOT noted that they currently have only one sprayer for the district.
  - Per MNDOT, ditches are fully mowed approximately once every 5+ years. Top cuts are done prior to July 1 with full cuts done after October 1.
  - The Cannon Valley Noxious Weed Collaborative will try to coordinate efforts with MNDOT to effectively spray and mow.
- 
- Adjourn
